

How your support helps

Anaphylaxis UK is the only UK-wide charity operating solely for the growing numbers of people at risk of serious allergic reactions and anaphylaxis.

We provide evidence-based information and support for families, schools, healthcare professionals, and businesses.

£50

can go towards producing specialist guidance for education settings. For example, guidance on therapy dog visits that balances the needs of children with animal hair allergies and children with therapeutic needs.

£100

can help fund our bi-termly Q&A after-school sessions - free to education professionals - to provide trusted support to help keep your pupils with allergies safe and included in every aspect of school life.

£300

can help pay for a visit from our Education & AllergyWise® Manager, Tracey Dunn. Tracey has 15+ years experience as a qualified teacher and mum to children with allergies, and shares her expertise with schools to improve their allergy management.
