

Fundraising ideas for Schools

Non uniform day

Everyone loves not having to wear their uniform so it's a great way to raise money any time of year. If you're the Headteacher, why not organise a 'Wear It Orange' day and ask everyone to wear their brightest attire in exchange for a small donation.

Cake sale

Hold an after-school bake sale at the school gates, encourage everyone to bring a bake, or even have a prize for the best cake! Don't forget to put up posters to remind everyone to get involved. Make your event allergy friendly by using our printable allergen labels.

Talent show

Participants can take part through singing, dancing, acting, comedy or any other activity to showcase skills. Charge a small donation to take part and the winner gets a prize.

Book swap shop

Set up a book swap shop shelf in your school and encourage everyone to donate their old books, books can then be purchased for a donation.
