

Orange Wig Day Fundraising Ideas

Friday fun at work...

- Wear your wig and get other involved with a twist on a wear-jeans-to-work day. Your colleagues can wear jeans only if they also wear something orange and donate £5.
- If there are a few of you in the office wearing our wigs, see who can wear their wig the longest. The first person to remove theirs pays a set amount, the second person pays a lower amount, etc.
- If you're the boss, how about asking your employees to donate to get you to wear a wig? You can set a target and once it's reached, you have to play your part and wear your wig. If you have a meeting or a presentation on the day, it would be even better!

Outside of work...

- Take your wig along for the school run, to the grocery store, anywhere you have to go on Orange Wig Day!
- Request suggestions from your friends – let them “dare” you to wear your wig somewhere. If you do it, they have to pay up!
- Consider getting some friends to each donate a few pounds for you to wear the wig to dinner or drinks. Or you can all wear wigs and ask for donations from other diners.
- Wear your wig to the gym! It's a sure fire way to get some attention and raise awareness.
- Have we not convinced you to wear your wig out and about? Organise an orange wig party and charge attendees for food and drink. Serve orange foods if you're really keen!
